Um...

Maybe we should meet?

Workshop with the team.

What will visuals look like?

Are the ideas/words/visuals cohesive?

Does it have legs?

Is it on brief?

Go with it.

Grow it.

Empathize. Define. Ideate. Test. Repeat.

AUGUSTA'S
African Kitchen

Augusta de Mist invites you to indulge in the taste of Africa. Dinners promise an eating experience for those who love home cooked cuisine & traditional dishes made with fresh farm products.

Augusta celebrates the cuisine of her continent. The kitchen uses only the freshest ingredients and go to great lengths to discover and support local producers.

Our menu changes daily & we follow the meal-of-the-day format, with a choice of at least two dishes and a traditional dessert. Please enquire about today's selection.

Wine lists have been prepared with the emphasis on quality. We present a small selection of great South African 5-star rated vintages by producers whom we know and admire.

Dinners must be pre-booked.
